

Sponsorship Opportunities

Be a part of the hottest new men's semi-pro basketball team — the Wisconsin Game Changers! The Game Changers will be traveling around the midwest while playing other semi-pro teams in the Midwest Basketball League. This team is about two important things — basketball and giving back to the community! We are using the game of basketball as our platform to spread a message about the needs of youth in our community.

By sponsoring the Wisconsin Game Changers, your organization's name will reach a wide audience of basketball fans as well as community members in the Fox Valley area. All sponsor logos will be printed in the Game Changers program at home games and will be highlighted on both the Wisconsin Game Changers' website and Facebook page. Your sponsorship money will be used to help cover the team's expenses including but not limited to travel expenses for away games and referee fees. None of the players are receiving compensation to play for the Wisconsin Game Changers. **Join our team and help be a shining light for good!**
